# The art of giving technology a dynamic touch.

BECKER

## TMC traffic radio

Receive the up-to-the-minute TMC traffic information for dynamic navigation and recalculation of your route in combination with docking station (charging station and TMC receiver).

## WMA/MP3 player

Listen to music as you navigate, and display the track title and artist: supports WMA and all standard MP3 formats – play MP3 files from your SD card or USB stick.

## Picture viewer

View photos in jpg format or watch a slide show on the 4“ TFT touch-screen – the integrated picture viewer makes it all possible.

## Birdview

Exceptionally driver-friendly with a raised, easy-to-read 3D display. The mount allows all-round adjustment of the viewing angle.

## NAVIGATION

Destination entry: Alphabet and selection list; entry/selection via touch screen; entry of postal code, house number, junctions, and special destinations (Ferrari dealer, airports, hospitals, service stations, railway stations, hotels, restaurants, sports stadiums, etc.)
